Dear Keith,

Thank you for your kind offer of creating a 60 minute documentary on the life and spirituality of Blessed Solanus Casey.

I have circulated your proposal to the Capuchin leadership and we would like to learn more please. As I understand it, there would be no cost to the Capuchins and we would have final approval on the project. I further understand that you would be contacting PBS as a distribution point for the documentary.

One part of the Capuchin Mission includes prayerfully building sister-brotherhood in the world. We are hopeful that your documentary will help us with our mission as well as sharing the holiness of our Blessed Solanus.

Let us move to the next step!

We are most grateful for your interest.

Kindly,

Colleen K. Crane
